Muntahi Safwan Mahfi

Full Stack Developer

Profile Summary

I am a dedicated, adaptable, and detail-oriented individual with a strong foundation in Computer Science and Engineering. As a full-stack web developer and software professional, I bring analytical thinking, logical problem-solving, and a commitment to delivering quality results on time. I thrive on tackling new challenges, collaborating with diverse teams, and fostering innovation.

Career Objective

As a passionate Computer Science and Engineering student and a dedicated full-stack web developer, I strive to create meaningful and user-friendly digital solutions. My goal is to contribute to innovative projects that solve real-world problems while continuously learning and growing as a developer in a collaborative and dynamic environment.
